# MERYL SATINÉ

---

A Unique Brightness,  
an Incredible Shine

*Meryl*<sup>®</sup>  
satiné

# Let yourself be seduced by the sophisticated luster and precious shine of Meryl® Satiné.

## Mirror Effect

The special cross section of this yarn has been specifically designed to reflect the light as a mirror, being able to provide garments with an extraordinary shine.

## Smooth Handle

Meryl Satiné offers a sophisticated appearance comparable to silk. Its pleasant soft touch and smooth texture will seduce the wearer's skin.

## High Comfort

Meryl Satiné premium yarns assure maximum standards of comfort. Its moisture-wicking properties, breathability and natural elasticity make it the perfect choice for multiple applications.

## Ultra Performance

Despite its delicate appearance and soft texture, Meryl Satiné offers high resistance to abrasion and no pilling. Its fantastic brightness is long lasting and garments will shine like new after innumerable washes.

## Markets & Applications

Meryl Satiné's luminous luster, comfort and resistance makes it ideal for a wide range of applications and markets.

Yarns available in cops and bobbins

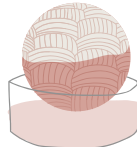

**Meryl Satiné Main Properties**

Certified by Meryl<sup>®</sup> Lab

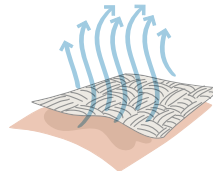

**Permanent Brightness**

Meryl Satiné brightness is part of the DNA of the yarn and it won't lose its shine no matter the washes or uses.

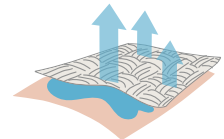

**Easy to Dye**

Meryl Satiné offers impressive good results when dyeing, easily retaining all color intensity.

**Breathable**

Meryl Satiné offers an extraordinary breathability that will keep perspiration away from the skin ensuring maximum comfort

**Moisture-wicking**

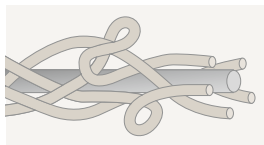

Meryl Satiné quickly and effectively wicks moisture away from your skin, transporting it to the exterior of the garment where it is rapidly evaporated.

**Meryl Satiné Stretch, premium bright covered yarns**

Discover the last generation of covered yarns proposed by Meryl Satiné Stretch.
