

SPRING / SUMMER
2017

MERYL SPRING

The Ultimate for Swimwear

meryll®
spring

The favourite for summer. Meryl® Spring gives swimwear an incredible soft touch and even brighter colors.

Second Skin Comfort

Meryl Spring premium yarns ensure maximum levels of comfort. Its finest microfilaments contribute to keep perspiration away from the skin and create extremely comfortable garments with an incredible feel on the skin.

Perfect Stretchability

Engineered to perform, Meryl Spring's natural stretch allows total freedom of movement and gives garments a great shape and perfect fit even after repeated usages.

Designed to Perform

The exceptionally high quality of Meryl Spring offers longer lasting garments resistant to abrasion and discoloration. Thanks to the twisting process, fabrics made with Meryl Spring avoid pilling effects without compromising softness.

Sophisticated Appearance

Meryl Spring offers an incomparable soft touch and smooth texture; Its seductive appearance gives garments a truly premium look and feel.

Markets & Applications

Meryl® Spring has been designed to satisfy the needs of the swimwear market. Its fabulous drape, deep coloration and high resistance makes it ideal for the best swimwear designs.

Meryl Spring main Properties

Certified by Meryl[®] Lab

Ultra Resistant Colors

Meryl[®] Spring has been specifically designed to preserve color and resist sun exposure, seawater and chlorinated water.

Quick Dry

Thanks to its microfilaments, Meryl[®] Spring provides a high level of capillarity and ultra breathability. The garment will dry fast and the wearer will feel extremely comfortable.

Exquisite Soft Touch

Made with the finest filaments in the world, Meryl[®] Spring offers an extraordinary smooth touch that will seduce the wearer's skin.

UV Protection

Despite its delicate appearance, Meryl[®] Spring is a full dull microfiber which offers increased UV protection.

Suitable for Digital Print

Meryl[®] Spring has been engineered for digital printing, it is able to offer durable and high quality digital prints.

Deep Coloration

Made with the exclusive Meryl[®] Deep Dye formula, Meryl[®] Spring provides fabrics with high color retention and color durability.
