Meryl® for Knit
The Premium Knitwear

**AUTUMN / WINTER
2017**

meryl®

Touch the softness of Meryl®

“Meryl® strongly believes
that soft clothes have
the power to make
us feel better.”

Meryl® for Knit, to achieve an amazing knitwear collection

- Meryl® presents a new exclusive range of **Meryl® Yarns specifically selected and designed for Knitwear**; A selection of thick yarns to obtain voluptuous and indulgent knitwear pieces **that combine sleek luxury with a focus on comfort and functionality.**
- The yarn selection is key to a quality knitwear product; **Garments made with Meryl® for Knit are more stable and resistant** to laundry due to the specific properties of Meryl® polyamide, that provide better fixation to the fabric dimensions.
- **Directly from yarn to garment**, Meryl® for Knit is a guarantee of the maximum quality and excellent touch with no added chemicals to satisfy the fashion industry's most highest standards.
- From pants, tops and chunky knit dresses for the Autumn/ Winter season, to tank tops and cropped tops with tube midi-skirts for the Spring/Summer collection, Meryl® for Knit has unlimited applications.

MERYL® HYDROGEN TRICOT

Premium fiber with an irresistible peach touch. Thanks to its special production process, Meryl® Hydrogen provides skin with an exclusive hydration feeling and great breathability.

MERYL® SENSE TRICOT

Made with the finest filaments ever produced, Meryl® Sense Tricot offers maximum standards of comfort. This premium yarn provides garments with an amazingly light and cool handle, ideal for the most delicate collection designs.

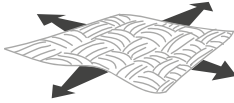

MERYL® NATEO TRICOT

The perfect combination of easy-care and cotton look and feel. Its natural appearance and comfortable touch with the low water consumption rates on its production process, make Meryl® Nateo Tricot better than cotton.

MERYL® FOR KNIT MAIN PROPERTIES

Certified by Meryl® Lab

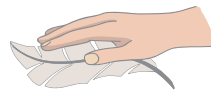

Natural Stretch

Meryl® for Knit yarns offer an excellent comfort due to its inherent stretchability. They will return to their original state when bent or stretched, ensuring garments retain their shape during wear and laundering.

Sustainable

Meryl® for Knit yarns use Meryl® EcoDye technology; Dope dyed yarns which give deep and permanent colors sustainability. Meryl® EcoDye is a zero water, zero energy and zero waste dyeing process.

Premium Touch

Meryl® is renowned for producing the finest yarns. Meryl® for Knit yarns have superior handle and superb drape. Delicate, light and resistant at the same time, for garments naturally perfect.

No Pilling Effect

Garments made with Meryl® for Knit yarns avoid pilling effects without giving up its incredible touch and natural look.
